

Disclaimer

The information, products, and services contained in the geo-wiki.org Web site are provided by the International Institute for Applied Systems Analysis (IIASA), the University of Applied Sciences Wiener Neustadt and the University of Freiburg (henceforth GEO-WIKI TEAM). The information presented does not necessarily reflect the views of the staff, visitors, or National Member Organizations of GEO-WIKI TEAM.

The information at geo-wiki.org is for information only, including research, educational, or personal use and may be used elsewhere, provided the source is acknowledged. If any information or resources on this site are attributed to a site or source that is external, permission must be sought from that organization before the material can be reused.

The GEO-WIKI TEAM accepts no responsibility for losses, damages, costs, and other consequences resulting directly or indirectly from use of this site and any information or material available from it. Nor does it guarantee that use of the information is free of any claims of copyright infringement.

Links are not endorsements

The GEO-WIKI TEAM is not responsible for the contents of external non-GEO-WIKI TEAM sites linked to, or referred to, from its pages, nor does this linkage represent endorsement of these sites or the information contained therein by the GEO-WIKI TEAM.

The mention of names of specific companies, products, or services on the geo-wiki.org site does not imply any endorsement or recommendation on the part of GEO-WIKI TEAM.

The geo-wiki.org logo should not be used without the prior consent of GEO-WIKI TEAM. Requests for permission to use the geo-wiki.org logo must be sent to fritz@iiasa.ac.at.
